## NEXT WEEK: Nov. 2, 2018 - Kenneth Hobbs, The Buzz about Beekeeping

Kenneth Hobbs and his wife have lived just outside of Abilene for approximately 12 years.

They became interested in bees while attending their garden. Kenneth noticed not seeing too many pollinators and became curious as to why. One thing led to another and eventually, he and his wife purchased two hives three years ago. They now have four hives and continue to grow their apiary.

Learning about bees and what affects them has led their being more conscious about our environment and what we eat.

## SPEAKERS NEEDED FOR 2019

Kelly Thompson, this year's program chair, is on the hunt for some **dynamicspeakers** and **entertainment**. She has designed a flyer for you to present to your prospective speakers that should answer many questions, i.e., we cover the cost of their meal plus ONE. We have a projector but they must bring their own computer, etc.

At this time we are booked through the end of 2018. However, the calendar is wide open beginning the first of 2019.

## NEW MEMBER LUNCH POLICY

The Rotarian bringing or sponsoring a prospective new member and asking him/her to a meeting is responsible for paying for his/her lunch. The only free lunch from the club for the new member is on the day he/she is introduced as a new member.
